DATE: 04 July 2024

REFERENCE(S): A. NATO M&S COE Program of Work 2024.  
B. Bi-SC Education and Individual Training Directive 75-7

1. In accordance with Reference A, it is my pleasure to inform you that the NATO Modelling & Simulation Centre of Excellence is organizing the 2<sup>nd</sup> edition of the JTLS-GO Practitioner Course from October 07 to October 11, 2024. The course aims to develop the knowledge and experience of the operator or instructor to an expert level in the advanced functions of the JTLS-Go simulator in accordance with specific training requirements that correspond to NATO requirements. JTLS-GO is a civil-military simulation and analysis tool that supports NATO Multidimensional Joint and Combined Operations planning and training. The course is not mandatory but is highly recommended for those who have attended the JTLS-GO Foundation and CAX Specialist courses. Prospective participants must be certified as CAX Specialist operators.
2. The Practitioner course is an initiative of the NATO M&S COE and matches part of the NATO M&S future requirement. The course is conducted in collaboration with ROLANDS & ASSOCIATES LLC. Upon completion of the course, participants will receive a dedicated certification from Rolands.
3. The course will be carried out at the M&S COE premises in Rome and there are up to 20 available seats. These seats will be assigned on a “first come first served basis”. In this regard, you are encouraged to **register no later than 21<sup>st</sup> of September 2024.**
4. For the necessary additional registration, administrative instructions and fee please check the “Admin Instructions” file at following webpage: <https://www.mscoe.org/courses/nato-jtls-go-practitioner-course/>
